Hatfield v. Arrowsmith

By order of Court re County Ct Record

This matter appears on the Nebraska Court of Appeals' December Proposed Call. The bill of exceptions from the County Court, received as Exhibit 1 in the District Court, indicates that the record was left open for the receipt of Exhibit 11, a flash drive. The transcript of pleadings reveals receipt of the flash drive by the Sarpy County Court Clerk's Office with subsequent delivery to the Sarpy County District Court Clerk's Office; however, the flash drive was not included in the bill of exceptions delivered to this Court. The court reporter is hereby directed to amend the bill of exceptions filed in the County Court and District Court as necessary to conform with Neb. Ct. R. App. P. § 2-105.02 to reflect the inclusion of the flash drive and its contents as a separate media exhibit volume. The amended bill of exceptions shall be filed no later than November 15, 2025. Once the amended bills of exception have been filed, the Sarpy County District Court Clerk's Office shall immediately forward the record to the Appellate Court.
