Misc Submission to Court - Jurisdiction

Appeal dismissed for lack of jurisdiction pursuant to Neb. Ct. R. App. P. § 2-107(A)(1). Jennifer Shere is attempting to appeal pro se from the district court's order of June 20, 2025, which entered a judgment against Jen & June Boutique LLC; the order is silent as to the claim filed against Shere individually. To the extent that Shere is attempting to appeal pro se on behalf of Jen & June Boutique, LLC, her actions are a nullity. See *Steinhausen v. HomeServices of Neb.*, 289 Neb. 927, 857 N.W.2d 816 (2015) (legal proceeding in which party is represented by person not admitted to practice law is nullity and is subject to dismissal). Further, the June 20 order did not resolve the claim against Shere individually and is therefore not a final, appealable order. See Neb. Rev. Stat. § 25-1315(1) (Reissue 2016) (any order which adjudicates fewer than all claims and rights and liabilities of all parties shall not terminate the action as to any of the claims or parties; final judgment to fewer than all claims or parties may be directed only upon express determination that there is no just reason for delay and upon express direction for entry of judgment).
