No. A-26-0239

ORDER TO SHOW CAUSE

This matter is before the court regarding the Appellees' request for a supplemental bill of exceptions. On March 26, 2026, the Appellant timely filed a notice of appeal from an order of the Lancaster County Juvenile Court, a request for preparation of a transcript, and a request for preparation of a bill of exceptions. The Appellant's request for bill of exceptions included a request for specific pages of several exhibits. On May 15, 2026, the Appellee filed a request for a supplemental bill of exceptions requesting all testimony, exhibits, and any other evidence from specific hearing dates without leave of this court.

Pursuant to Neb. Ct. R. App. P. § 2-105(B)(2)(e) and (f), "the appellee shall, within 10 days after timely service of the request for bill of exceptions filed by the appellant, file a supplemental request for preparation of bill of exceptions" and untimely supplemental requests for the preparation of the bill of exceptions may not be filed "without leave of the appellate court for good cause shown, which cause shall not be within a party's reasonable control." The Appellee has not requested leave of this court to file an untimely praecipe for a supplemental bill of exceptions and has not alleged good cause for the failure to previously request preparation of the items contained within the request for supplemental bill of exceptions.

The Appellee, having failed to request, and receive, leave of this court to file an untimely praecipe for a supplemental bill of exceptions is ordered to show cause, within 7 days of this order, why the appeal should not proceed as if no praecipe for a supplemental bill of exceptions had been requested.

Dated this 20<sup>th</sup> day of May, 2026.

Amanda Guerrero,	)	
	)	
Appellee.	)	

The Appellant timely filed a notice of appeal from the Lancaster County District Court's order of modification and a request for preparation of a bill of exceptions on May 6, 2026. Notice of the estimate for bill of exceptions was provided on May 7, 2026, directing the Appellant to deposit the estimate with the clerk of the district court within 7 days. On May 15, 2026, the clerk of the Lancaster County District Court filed a notice of failure to pay the estimated cost of the bill of exceptions. The record reflects that, on May 18, 2026, a notice of payment of the estimated cost of the bill of exceptions was filed which indicated that the deposit was made on May 18, 2026.

Pursuant to Neb. Ct. R. App. P. § 2-105(B)(4)(c):

(c) Failure to Make Deposit. If appellant fails to timely make the required deposit of the estimated cost of preparation, the clerk of the trial court shall transmit a notice thereof to the Clerk and to the court reporting personnel responsible for making the record. Thereafter, unless leave of the appellate court for an extension of time to make the deposit is granted for good cause shown, the appeal shall proceed as if no bill of exceptions had been requested.

The Appellant, having failed to request, and receive, leave of this appellate court for an extension of time to make the deposit for good cause shown, is hereby ordered to show cause, within 7 days of the date

of this order, why the appeal should not proceed as if no bill of exceptions had been requested.
