107(A)(1). The district court entered judgment in favor of the plaintiff on September 23, 2025. The clerk's certificate indicates that a motion to alter or amend judgment was filed on September 29, but there has been no disposition of such motion. When a motion terminating the 30-day appeal period is filed, a notice of appeal filed before the court announces its decision upon the terminating motion has no effect and an appellate court acquires no jurisdiction. State v. Bellamy, 264 Neb. 784, 652 N.W.2d 86 (2002).
