State of Nebraska ex rel. Hilgers v. Midwest Smoke Shop

ROD Misc Submission to Court re Jurisdiction
 Appeal dismissed for lack of jurisdiction. See Neb. Ct. R. App. P. § 2-107(A)(1). The district court's order entered June 4, 2026, included its grant of the State's request for a protective order with the issue of costs and expenses to be determined at a later date. When multiple issues are presented to a trial court for simultaneous disposition in the same proceeding and the court decides some of the issues, while reserving other issues for later determination, the court's determination of less than all the issues is an interlocutory order and is not a final order for the purpose of an appeal. See e.g. Huskey v. Huskey, 289 Neb. 439, 855 N.W.2d 377 (2014).
