Motion Appt Leave to Request BOE

Motion for leave to file request for bill of exceptions sustained. Appellant shall file praecipe within three days of this order.

A-25-000848

Erpelding vs Southall

ROD Misc Submission to Court re Jurisdiction

Appeal dismissed for lack of jurisdiction. See Neb. Ct. R. App. P. § 2-107(A)(1). The district court properly found that it lacked jurisdiction in the matter because of Appellant's pending appeal in case No. A-25-622. Once an appeal has been perfected, the trial court is divested of its jurisdiction to hear a case involving the same matter between the same parties. See Dugan v. State, 297 Neb. 444, 900 N.W.2d 528 (2017). Where a lower court lacks jurisdiction to adjudicate the merits of a claim, issue, or question, an appellate court also lacks the power to determine the merits of the claim, issue, or question presented to the lower court. Johnson v. Village of Polk, 319 Neb. 352, 23 N.W.3d 96 (2025).
