	)	

Appellant Matthew C. Hahn has appealed from the May 20, 2026, dissolution decree filed by the Sarpy County District Court. On August 6, an estimated cost for the bill of exceptions was filed noting that the estimated amount had to be paid within 7 days. See Neb. Ct. R. App. P. § 2-105(B)(4)(b). Appellant made an untimely payment for the estimated cost of the bill of exceptions on August 17.

Although an untimely payment for the estimated cost of the bill of exceptions has been made, pursuant to Neb. Ct. R. App. P. § 2-105(B)(4):

(c) Failure to Make Deposit. If the requesting party fails to timely make the required deposit of the estimated cost of preparation, the clerk of the trial court shall transmit a notice thereof to the Clerk and to the court reporting personnel responsible for making the record. Thereafter, unless leave of the appellate court for an extension of time to make the deposit is granted for good cause shown, the appeal shall proceed as if no bill of exceptions had been requested.

The appellant, having failed to request, and receive, leave of this appellate court for an extension of time to make the deposit for good cause shown, is hereby ordered to show cause, within 10 days of the date
