Annual Caseload Report for Nebraska County Courts

Fiscal Year 2026 – July 1, 2025, to June 30, 2026

This *Annual County Court Caseload Report* contains caseload statistics for Nebraska's 93 County Courts, organized into 12 Judicial Districts. Statistics are compiled through extracts from the JUSTICE automated trial court case management system. Providing court statistics ensures transparency to the public and assists administration in ensuring efficient court practices.

Caseload statistics demonstrate the volume of cases in each jurisdiction and the changes that occur over time. Data are useful in determining staffing levels and for predicting the effect on caseloads due to changes in the law.

In 2019-2020, the Supreme Court and the Administrative Office of the Courts and Probation (AOCP) conducted a statewide judicial time study. Under the direction and leadership of the National Center for State Courts, a new weighting methodology and standards were adopted, including a more diverse list of case types, see *Nebraska Judicial Workload Assessment Final Report* (October 2020) on the Nebraska Supreme Court website. In an effort to provide greater consistency in how the AOCP reports weighted caseload and caseload data, the caseload data has been standardized between the two reports. Therefore, the Historical Cases Filed sections of this caseload report should not be compared to reports prior to FY 2021 and direct comparison to archived reports is not recommended.

Caseload reports are available for all levels of state appellate and trial courts at <https://supremecourt.nebraska.gov/forms-publications>.
